Item 10: Request to Waive Enforcement of San Diego Municipal Code Sections 27.2916(c) and (d).

Director Fulhorst explained that the Commission received a request from the treasurer for the Bob Filner for Mayor 2012 committee that the Ethics Commission agree not to enforce the 30 day deposit and 35 day return requirements for 9 contribution checks totaling \$6,020 received by the committee's former treasurer Kinde Durkee, who was arrested in September of 2011 on embezzlement charges. According to the written request from Nancy Warren, the committee's new treasurer, the contribution checks were included in 17 boxes of documentation they received on November 28, 2011. Ms. Warren has asked the Commission to agree that the Filner committee may have 30 days from November 28, 2011, to obtain missing contributor information and deposit the contributions into the committee bank account.

Ms. Fulhorst explained that the FPPC has held several interested persons meetings to identify and resolve a variety of issues related to the arrest of Ms. Durkee and the resultant difficulties encountered by committees with respect to compliance with various campaign laws. Although she does not believe the FPPC has addressed the laws governing the timeframe of contribution deposits, she stated she is confident the FPPC would grant a waiver or extension of the time period if it were asked.
